March 25, 2022

Dear Wileyites and Friends:

On behalf of the Board of Directors and WCNAA, Inc. members, we are proud and honored to inform you of the election of Dana Simone Stovall as President Elect of the Association, a proud member of the Class of 1992.

"Congratulations"

Ms. Stovall returns to this distinguished position having formerly served as the Association’s president from 2002-2006. After her election on last Saturday, March 19, she reflected this statement, “It is with a humbled heart and gratitude to serve as the WCNAA President! I am honored to make history during Women’s History Month as the first returning president in 100 years of the Association. Join me on my journey to keep building Wiley College; strengthening the WCNAA; and demonstrating the greatness that our beloved Alma Mater has to offer our students, alumni, and the communities we serve.” While serving in the position, Ms. Stovall also will be one of two who will represent the Association on the Wiley College Board of Trustees.

The current and new administrations will transition between April 1 through May 30, 2022 to maintain continuity and consistency in managing affairs of the Association.

Again, congrats Ms. Dana and the very best in leading the Association to a higher level. Go Forth Inspired, Glorious Deeds To Do!

Regards and Blessings,

[Signature]

Nolan H. Anderson, Jr.
President
